

The Community Bowls event for 2024 has been held in February and completed after four fantastic weeks of great family fun.

The interest in coming to Mundaring Bowls Club for Community Bowls was so high that sadly some groups had to be put on a waiting list.

Over the four weeks we saw more than nearly 500 people in total attend the Mundaring Bowls Club on Friday nights to relax with a meal, learn how to play lawn bowls, get competitive with other new bowlers and enjoy a drink or two at our fully stocked bar.

Many groups of friends returned again this year but over half of the attendees were brand new to this year's event.

There was so many happy children running around that at times it felt like a fun fair.

The party atmosphere started as soon as the first players arrived which soon reached a crescendo that lasted right up to closing time.

The Bowls Club would like to thank all of the families and individuals who came along and helped make this the best Community Bowls event ever!

We also thank sincerely all of the Sponsors who generously gave prizes to raffle on the Friday nights.

The Sponsors this year were:

The Mundaring Bowls Club would like to thank all of the volunteers who gave their time and energy to make this event so successful.
